Description

We have the pleasure to present this exceptional Porsche 904 Carrera GTS FIA continuation - VIN Nr 904-202 - for sale.

Duel Motorsport have build just 5 examples of the Porsche 904 replicas during the years 2012 to 2018. These 5 cars are widely recognized as being the very best in build quality, period correctness, attention to detail and performance.

Our car was the 2nd car build and was delivered to its first and current owner in 2015 who has used the car sparingly in the last 10 years: a few sprint races at Zandvoort with the odometer showing just 2775 km, corresponding to about 20 hours running. Never crashed or even slightly damaged, this 904 presents in as-new condition. The bodywork is an exacting copy using moulds of a genuine 904. It features a heated windscreen, 110 liter fuel tank, fire system and lap timer. Every nut and bolt is correct as are the various small details such as, bonnet clamps, fuel filler, wipers, Talbot side mirrors and its 904 Carrrera GTS script on the tail.

The 2.0 liter flat 6 cylinder engine has a 901 casing and is full 906 Carrera-spec with dual ignition on original IDA46 triple Weber Carburettors, delivering around 230 bhp. Its performance is evidenced by its sister car achieving a 4min55 laptime at the 2022 Le Mans Classic. Prior to the sale of the car, it will be serviced by Duel Motorsport including dyno-run and renewal of all fluids while the seat belts, fuel cell and fire system will need updating by the car's new, lucky owner. The car comes with a new FIA HTP valid until 2036, unsilenced exhaust, lap timer, 2nd seat and a spare set of wheels.

This stunning Duel Motorsport 904 is ready to be enjoyed by its new, 2nd owner and is eligible for all historic races such as the Gentlemen Trophy, Le Mans Classic, Goodwood Revival and Members meeting, etc..
